Dear Classic Gymnastics Families,

I hope all our gym families and students stay safe and remain optimistic. Your health and well-being continue to be our priority. Our staff will be working hard to prepare the gym for reopening when it is safe and when we are permitted to do so.

I am not able to give you an exact date for our reopening, however it looks to be mid-May to early June. Once we have a projected opening date, we will be in touch with specifics as to schedules and return procedures.

Due to the impacts of COVID-19 we recognize that there are many new procedures required to conform to social distancing requirements and the need to maintain high cleanliness standards. Classic will be taking a phased approach to reopening. The first phase is expected to last around 2 weeks to make sure the new systems are working. I encourage you to follow our Facebook page and keep checking the Covid-19 page on our website to view those changes.

We very much look forward to reconnecting with everyone, and we are optimistic that we will all emerge from this ready to flip and cartwheel once again.

All of us at Classic look forward to welcoming you back to our gym when the time is right.

Until then...Stay safe, get strong, and remain vigilant.

Bryon Hough  
President, Classic Gymnastics
